

[WHEN](#)[WHERE](#)[CONTACT](#)

Welcome to our Community

The Makers.org is a community based Not For Profit organisation. Our primary role is to give the community access to tools and technology as well as the knowledge to use them. We strive to be a place where people can come and share their experience and expertise and learn from one another.

Thursday Open Nights

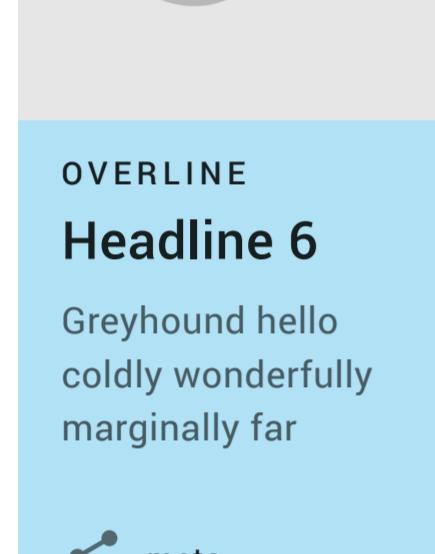

Every Thursday 5:30 - TAFE Y-Block, Cairns.

Come along to one of our Thursday open nights to explore our space. We welcome any and all members of the public to join us and MAKE!

Subscribe for Access

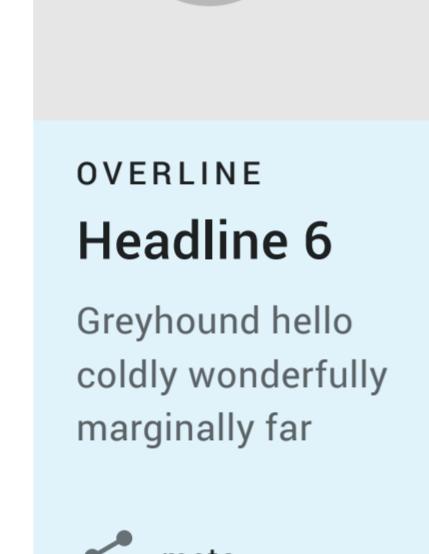

Get access for \$25 per month.

Subscribers get access to theMakers outside of Thursday nights, and are able to use machinery. By subscribing you support the community and help us acquire more materials and
